## Chapter 1 by Justin Chan

Hi, it is so very nice of you to FINALLY NOTICE ME, I am your inner voice, yes the very voice you are reading this in.

The guy who started this story, oh man, why did he even think that this is a good idea? Voices in your head goes on SO many adventures, you won't believe it. There is that time I narrated a book for you, there is that time I read a road sign for you, oh! don't forget that time that I read the restaurant menu for you, we had some great time together.

Go on then, write me a story , a aventure? A little bit of romance may be? Just don't kill me or hurt me please, I am THE voice in your head after all.
